All TCRC Local Chairs
CPR Eastern and Western Regions:

Please find attached your copy of the two letters pertaining to the two bargaining units we represent and which are involved in collective bargaining at this time. These letters have been hand delivered to CP Rail and FMCS Mediator Steve Samosinski at 13:45 today in Calgary.

We continue to meet with CP bargaining committee today, with plans to continue tomorrow and Monday with the assistance of FMCS. At this time we continue to be optimistic that a negotiated agreement can be reached however we are also acutely aware of the challenge this presents.

Subsequent to our conversations with the Local Chairs throughout the country. Each General Chair has received the resounding support from their Committees for their decisions made throughout this process. The bargaining committee remains solid, united and strong in their conviction to obtain a negotiated settlement in which the membership will support through ratification.

Your continued support and assistance is appreciated.
