To All Members:

RE: Proposed TCRC BYLAW changes.

There will soon be a membership vote to change the TCRC Bylaws. Recognising most members have not read or seen current bylaws let alone the proposed changes it makes it difficult if not impossible to make an informed decision on the changes. Current and Proposed TCRC Bylaws are being added to our TCRC website and hard copies are available upon request in Brad Templeton's office. Although it is laborious reading I encourage you to read through the documents, ask questions and try to make an informed decision.
