Claims submissions

Brothers/Sisters,

As the company continues ignore provisions in our Collective Agreements and other various agreements between the Union and the Company we are faced with adding additional claims to many tie-ups and in order to simplify the job for you please claim the following;

For Coal service to and from Golden please claim IP up to 148 and remark the following;

IP = top up to 148 miles as per Revelstoke/Golden Run-through Agreement and LOA of July 6, 2004.

For switching at the final terminal in Golden;

The company has invalidated the ES claim code so for now Engineers are to claim;

CT for actual time switching.

IP for 1 mile

Remarks;

IP = top up CT to 100 miles at yard rate under Article 3.02(3)

Deadhead combination to Golden;

IP for standalone deadhead as per Article 5.02(1) for Engineers and as per Article 24.01 for CTY.

Over 10 Hours after arriving at final terminal

IP = claiming \$80 for being required to work over ten hours as per CROA 4078S
