REQUEST FOR REPLACEMENT STRIKE BALLOTS

Brothers and Sisters:

In the event you have not received a strike ballot, or your ballot has been damaged or destroyed, please immediately advise your Local Secretary / Treasurer and make sure to include your updated home mailing address. To clarify, all bargaining unit employees receive a strike ballot and the eligibility vote is not reliant on the payment of Union dues in any given month. This would include members off sick and laid off employees but, would of course, exclude anyone working in a managerial position.

Your Secretary / Treasurer will then contact the TCRC West office in Calgary and arrangements will be made to send out a replacement ballot to you. This communication must include an updated address of the employee requesting the second ballot.

The strike ballots will be counted in the TCRC West office in Calgary on February 06, 2015, therefore your ballot must be received no later than February 05, 2015. Once the strike ballots are counted, we will immediately advise your Division Officers of the results.

Your Bargaining Committee thanks you for your continued support in our efforts to negotiate new Collective Agreements based upon the demands we have put forward.

In Solidarity:
